### Stewardship Reflections – 6th Sunday in Ordinary Time

Today's readings challenge us to reflect on the true state of our hearts as it relates to stewardship. Do we think of stewardship as something we take care of once a year, simply a matter of ticking off boxes on a commitment card – or do we choose to embrace it as a spirituality and way of life that allows us to grow in conformity to Christ every day?

The concept of stewardship helps us to live out the fundamental choice to put God first. Stewardship is not meant to be a mere external exercise in which we participate on an occasional basis. It is meant to be embraced as a way of life that involved a continuous conversion of heart.

Our Lord is asking us not only for exterior acts, but for a true change of heart. In stewardship terms, that means seeing everything as a gift from Him, to be used for His glory and the good of others. In the week ahead let us examine the state of our hearts to ask ourselves if we have chosen to allow stewardship to become a way of life for us. Only then will we experience it's true depth and heart-changing possibilities. The choice is ours.
